

Privacy Notice – NHS Digital

<p>NHS Digital collects data from GP practices, NHS hospitals and other NHS health and care providers for planning and research purposes. It provides reports on the performance of the NHS, statistical information, audits and patient outcomes (see https://digital.nhs.uk/data-and-information for more information). Examples include statistics on A&E and outpatient waiting times, target achievements, payments to GPs etc and more specific targeted data collections and reports such as general practice appointments data, the National Diabetes Audit and data on female genital mutilation.</p> <p>GPs are required by the Health and Social Care Act to provide NHS Digital with information when instructed. This is a legal obligation which overrides any patient wishes. These instructions are called “Directions”. More information on the directions placed on GPs can be found at https://digital.nhs.uk/article/8059/NHS-England-Directions- and www.nhsdatasharing.info</p>
